<u>PEEK COUNSELING, PLLC</u> INTAKE FORM FOR MINOR CHILD (UNDER 15 Years Old)

The information you provide in this intake form may be confidential; however, certain otherwise confidential information may be shared as required by law. You are not required to supply the information contained in this Intake Form. However, the more information you provide, the better Katie Bisbee-Peek with Peek Counseling will be able to assess your minor child's mental health needs. Please provide as much information as possible.

This intake form should be filled out by the Parent(s) or Legal Guardian(s) consenting to mental health services for the minor child listed below. For purposes of mental health treatment in Colorado, a minor child is everyone that is under the age of fifteen (15) years old. The therapist at Peek Counseling may interview the child and fill out the applicable sections or may request that the parent(s) or legal guardian(s) fill out the applicable section about their minor child. This is within the sole discretion of Katie Bisbee-Peek with Peek Counseling.

Any request or authorization in this form to contact a Third Party, such as a medical doctor, will require a separate Authorization for Release of Information.
